

Please note: The steps below are **only** for users who already have Zoom accounts associated with their La Sierra email addresses, not for new Zoom users.

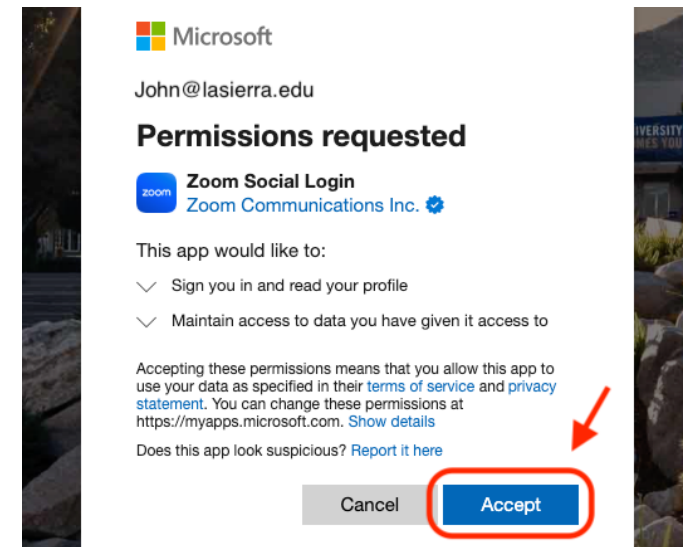

- 1- Go to <https://www.zoom.com/> and click “**Sign In**” from the top horizontal menu

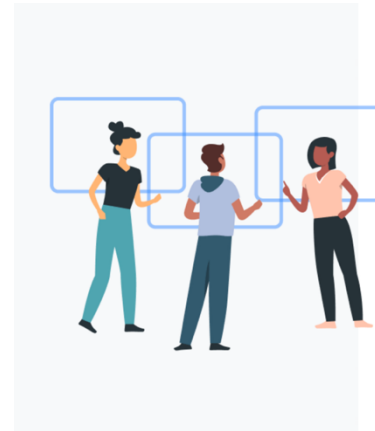

- 2- Click “**Microsoft**” under “Or Sign in with” section  
*If you have already signed in to your Microsoft account, you will see it in the email accounts list and can select it. Otherwise, add it by entering your email and password to sign in.*

- 3- If you see the “**Permissions Requested**” screen, click “**Accept**”

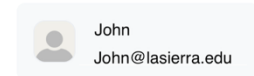

4- When you see the message “Link your Zoom account”, click “Link and Sign In”

### Link to your Zoom account

We found an existing Zoom account associated with your email. Would you like to link your Microsoft account to Zoom?

Zoom is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply.

[By proceeding, I agree to Zoom's Privacy Statement and Terms of Service.](#)

5- Check your email and enter the verification code, then click “Verify”

### Check your email for a code

Please enter the verification code sent to your email address John@lasierra.edu

08:31

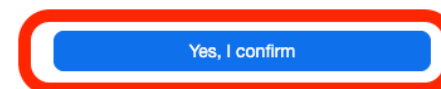

If you did not receive the email, [send another email.](#)

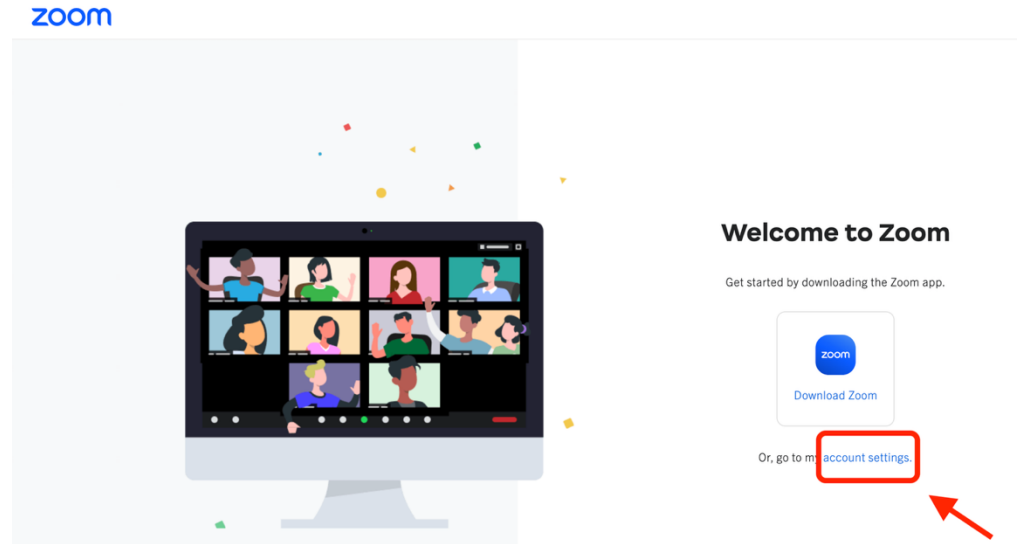

6- In the “Link to your Zoom account” screen, click “Yes, I confirm”

### Link to your Zoom account

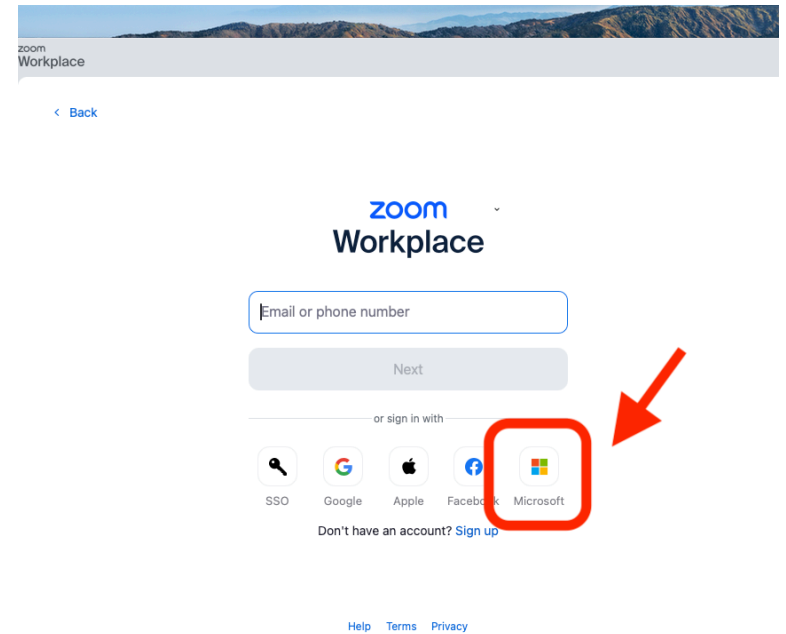

Your Microsoft account John will be used to automatically sign you in to your Zoom account John@lasierra.edu . Please confirm below.

- 7- After confirmation, you will receive the “Welcome to Zoom” screen. Click “**Accounts Settings**” and check your meeting lists (Previous or upcoming) to confirm that the account was linked successfully.

- 8- Moving forward, please ensure that you sign in to your Zoom account only via the “**Microsoft**” option, whether from the Zoom web account or your Zoom desktop or mobile applications.
